SUPPLY AND INSTALLATION CONTRACT

Reference: DEMO-SI-005 **Date:** 2 November 2026
Purchaser: Municipal Water Division (Demo Entity)
Vendor: Epsilon Controls (Demo Entity)

1. Scope. The Vendor shall supply, install, test and commission five flow meters and associated control panels at locations notified by the Purchaser. The Vendor shall provide manuals and basic operator training.

2. Price. The total price is INR 18,00,000, including installation, testing, commissioning and training. GST shall be shown separately on the tax invoice. No additional charge is payable without an approved written variation.

3. Milestones. (a) Delivery within 20 days of purchase order; (b) installation within 10 days after delivery and site readiness; and (c) commissioning within five days after installation. The Purchaser shall confirm site readiness in writing.

4. Testing and Acceptance. Each unit shall pass the functional tests in the approved test protocol. The Purchaser shall issue an acceptance certificate or a defect list within seven working days after testing. The Vendor shall correct listed defects within seven days and arrange retesting.

5. Payment Milestones. 60% upon delivery and inspection, 30% upon successful installation and testing, and 10% upon commissioning and submission of manuals, warranty certificates and training records.

6. Warranty. The Vendor warrants the equipment for 18 months from commissioning or 24 months from delivery, whichever occurs first. Warranty service includes repair or replacement of defective parts without additional labour charges.

7. Delay and Extension. Delay damages of 0.25% of the value of delayed items per week may be applied, capped at 5% of the contract price. The Vendor shall notify the Purchaser within five days of an event likely to delay performance. An extension is effective only when approved in writing.

8. Risk and Title. Risk of loss remains with the Vendor until delivery at the designated site. Title passes to the Purchaser upon payment for the relevant equipment, without affecting the Vendor’s installation obligations.

9. Disputes. Project managers shall attempt resolution within 15 days, failing which the dispute shall be escalated to the parties’ authorised representatives. Governing law is India.
