1. Parties and Services

This Professional Services Agreement (the “Agreement”) is made on 1 October 2026 between Northstar Retail Private Limited, a fictional company with an office at 14 Park Street, Mumbai, Maharashtra (“Customer”), and BluePeak Analytics LLP, a fictional firm with an office at 22 Residency Road, Bengaluru, Karnataka (“Provider”). The Customer and Provider may each be called a “Party” and together the “Parties”.

The Provider will configure and support a sales analytics dashboard for the Customer. The services include data import, dashboard setup, user training and monthly technical support. The initial implementation is expected to be completed within 30 calendar days after the Effective Date.

2. Fees and Payment

The Customer will pay the Provider a fixed implementation fee of INR 4,80,000 (Indian Rupees Four Lakh Eighty Thousand), exclusive of applicable taxes. The Provider will invoice 50% of the implementation fee on signing of this Agreement and the remaining 50% on completion of implementation. Each undisputed invoice is payable within 30 calendar days of receipt. The Customer may withhold a disputed amount provided it gives written reasons to the Provider within 10 business days after receiving the invoice. The undisputed portion remains payable within the stated payment period.

3. Delivery and Customer Responsibilities

The Provider will assign a project lead and provide a delivery plan within five business days after the Effective Date. The Customer will provide reasonable access to relevant personnel, systems and sample data. The Customer will review each milestone deliverable within seven business days after delivery and will provide either written acceptance or a list of material deficiencies. The Provider will use reasonable efforts to correct agreed deficiencies.

4. Term and Renewal

This Agreement begins on 1 October 2026 and continues for an initial term of 12 months, ending on 30 September 2027 (the “Initial Term”). It will automatically renew for successive 12-month periods unless either Party gives written notice of non-renewal at least 60 days before the end of the then-current term.

5. Delay and Service Credits

If implementation is delayed solely due to the Provider’s failure to meet an agreed milestone, and the delay is not caused by the Customer or a force majeure event, the Provider will provide a service credit equal to 0.5% of the implementation fee for each full week of delay. Total service credits under this clause will not exceed 5% of the implementation fee. The Parties will document any agreed extension of a milestone in writing.

6. Termination

Either Party may terminate this Agreement for a material breach if the other Party fails to remedy the breach within 30 days after receiving written notice describing the breach. The Customer may also terminate for convenience by giving the Provider 60 days' written notice. The Customer must pay fees for services properly performed up to the effective termination date.

7. Confidentiality and Data Handling

Each Party must protect the other Party's non-public business, technical and commercial information and use it only for performing or receiving the services. Each Party will restrict access to personnel who need the information for this Agreement and who are subject to confidentiality obligations. These obligations continue for three years after termination, except where applicable law requires a longer period.

8. Limitation of Liability

Except for fraud, wilful misconduct, breach of confidentiality or infringement of intellectual property rights, each Party's total aggregate liability arising out of this Agreement will not exceed the fees paid or payable under this Agreement in the 12 months preceding the event giving rise to the claim. Neither Party will be liable for indirect or consequential loss, loss of profit or loss of anticipated savings.

9. General

Any amendment to this Agreement must be in writing and signed by authorised representatives of both Parties. This Agreement is the entire agreement between the Parties concerning its subject matter and replaces prior discussions on that subject. If a provision is held unenforceable, the remaining provisions continue in effect.
